

REMARKS

The Notice of Non-Compliant Amendment states that the amendment document filed on December 27, 2006 is considered non-compliant because the marking of the text in the amendments to the claims is not correct. The notice further states that only the section of the amendment document containing the non-compliant provision must be resubmitted. The Amendments To The Claims section of the amendment document filed on December 27, 2006 (and the subject of a claim worksheet dated January 24, 2007) is submitted, and, it is believed, corrects the error in format.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. **312762002710**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
